# Reva Systems garners support from SAP, Cisco

Boston Business Journal - October 3, 2006

**Reva Systems** said Tuesday the company raised a \$13.5 million round of venture capital funding -- including money from technology giants **SAP** and **Cisco Systems Inc.**

**North Bridge Venture Partners** and **Charles River Ventures**, both of Waltham, also contributed to the latest round for the Chelmsford, Mass.-based firm.

Reva develops radio-frequency identification, or RFID, technology. Company officials said in a statement the company has raised to \$20 million in two rounds since 2004.
